Hello FEBRUARY!

WOW it feels amazing to be back in the studio! Seeing all the smiles, energy and enthusiasm from our beautiful students just melts my heart 💖

I want to thank all the grown ups for giving your children the opportunity to dance with us, we don't take our privileged position lightly. Thank you for trusting us with the development of your little one.

Also, thank you for your patience and understanding with our admin team while we learn our new system – we hope you have checked out the new PARENT PORTAL where you can access all the information about your account (see further down in the newsletter about how to login).

I'm looking forward to hosting our first DanceStep workshop for the year – where I work with some of our older students in developing their leadership skills and becoming role models for our younger dancers. Next month we will also be handing out exam invitations – so get working on learning those new skills! And our babyballet RSD Teddy Bears Picnic! No rest for the wicked!

Love from Marguerite, Studio Director
